Thursday AM should be fine. My best bet is 9AM so I am in and out.

My Suffolk Superior case stipulated and Middlesex Superior got cancelled. I have a Norfolk Superior case that starts tomorrow, but I will contact the ADA find out the status.

I will keep you posted.

Sorry for my late response.

Unfortunately, I have several cases (both for Superior and District courts) that start on Tues/Wed. I am also scheduled to be in Martha's Vineyard District Court on Wed for 3 cases.

Unfortunately, I do not know the status of my other cases . I will keep you posted.

Hi Annie -

[REDACTED] is on for trial this Wednesday. I anticipate this case will go forward. I just wanted to check-in and make sure we are all set and if you wanted me to put you on phone stand-by. Also, I know when you review your case files you will see that it is only a minimal amount of drugs - there were also 2 firearms found and I am going to use the fact of where he stored the drugs to try and connect it to the firearm . . . this is why it is important for me to go forward on the drugs even though it is such a small amount.

Thanks,
